\* If a fingerprint card other than an ADE preprinted fingerprint card is used, the fingerprint card will be returned to the applicant, who will have to be re-fingerprinted. Note that a background check using a fingerprint card will take longer to process.

\* If fingerprints are rejected by the FBI, the applicant will be asked to obtain inked fingerprints. The State Police will send the applicant a letter and the instructions in that letter should be followed explicitly. If the inked fingerprints are also rejected, the FBI will conduct a records check using the applicant's name.
